- > To prepare students for higher education in commerce.
- To inculcate the use of information and communication Technology in the teaching learning process.
- > To inspire and empower the students to become innovator and contribute to the organization and betterment of communities.

Programme Educational Objectives (PEO)

	Natural navigators and nimble witted in diagnosing problems, in enlisting steps
PEO1	to rectify them and in providing the most effective solutions in the best
	possible way
	Moralistic while demonstrating their academic caliber, in recognizing and
PEO2	acknowledging value systems, in making decisions, accepting responsibilities
	and while concerned about society and public issues and needs
	Self-reliant in learning and in real life job situations through which they
PEO3	support their peers and become stable and reliable students, workers and
	citizens
PEO4	Steadfast in shielding and nurturing environment and stimulate its sustainable
PEO4	growth for a bright future
	Versatile and vibrant communicators in person and through other media.
PEO5	Vigilant / vital in prolonging the long winding richness and tradition of their
	mother tongue
	Neoteric global citizens of our nation, who would take the nation's pride
PEO6	around the world by adapting and adopting the scientific and technological
	developments
DEO7	Civilized and confident graduates, who believe in lifelong learning with the
PEO7	socio-cultural changes in the generations to come

Programme Objectives (PO)

PO 1	Contemporary commercial and Industrial problems and issues impart the students to diagnose the recent problems and find solution to the best possible. Enabling the students more confidence on them by providing scope for further learning and learning for accommodating socio-cultural change for the future needs.
PO 2	Organizational skills and knowledges impart the students during the course of study for recognizing the values, systems and decision making process and accepting the responsibilities. It enables to understand the society and public issues and needs.

PO 3	Managerial	skills	communication	skills and	team v	vork	enables	the studen	ts to
103	Ivianagenai	SKIIIS,	Communication	onino anu	tcam v	A LU V	Chautes	me studen	us io

	become a leader for their business enterprises and society. Educate them in
	1
	using information technology, E-commerce and continue their learning in
	course area for doing post graduation and furtherance as doing a research in the
	field of commerce and social science.
	Moulding the new era of industrial environment by providing futuristic vision
PO 4	of commercial knowledge and by stimulating the students with cases and
	issues.
PO 5	Recognizing the changes by adapting the modern technical changes in core
103	subjects.
DO 6	Creating a globalized entrepreneur by providing courses of entrepreneurial
PO 6	skills and development and management of entrepreneurial business.

PROGRAM SPECIFIC OUTCOME (PSO)

PSO1	B.Com graduate will possess knowledge to provide solutions for everyday problems relating to commerce, Computer application in the field of commerce, role of providing information through the technology in the development of commerce. Students will possess the entrepreneurial skills
PSO2	and e-marketing skills. Students after successfully completing the course will apply their core subject skills and knowledge to exhibit their ethical thinking and problem solving skills in commercial practices. They also possess the skill in tackling the business challenges by providing solution by way of computer application and information technology.
PSO3	After completion of B.Com, students will be capable of implementing greater efficiency in communication skill, managerial skills, leadership skills and team work. Students will be able to become an efficient leader for the business enterprises and the society as well.
PSO4	Graduates of B.Com will gain knowledge for ongoing learning and will become Chartered public accountant, cost accountant and management accountant. Students will be able to practice as a modern accountant and capable of working with computer application using information technology. Graduates also have the scope of continue learning in core area as doing post graduation and furtherance as doing a research in the field of commerce and social service.
PSO5	B.Com graduate are recognized by the society with respect and have separate goodwill and reputation. They also recognize the need for reputed life in society and serving human kind in better way. Students will also have the social responsibility by following the societal ethics for protecting and preserving future.

BUSINESS ENVIRONMENT SEMESTER V

Code: 211603504 5 Hrs/Week Credits 4

Preamble:

 ${\it z}$ To Highlight an overview of various Environment and it's impact on Business.

Course Objectives:

The course enables the student:

- ${\it z}$ To provide an overview of Business Environment factors.
- arnothing To know the industrial policy in India.
- Z To understand the social responsibilities of business.
- lpha To Gain Knowledge about Industrial sickness and incentives for small scale sector.
- lpha To study the Globalisation and MNCs.

COURSE OUTCOMES (COs)

On Successful completion of the course, the student will be able to

No.	Course Outcome	Knowledge Level (According to Bloom's Taxonomy)
CO1	Describe the Business and its Environment factors	Up to K3
CO2	Argue for and against privatization.	Up to K3
соз	Analyze and argue for and against social responsibility	Up to K3
CO4	Suggest remedies to cure sickness	Up to K3
CO5	Analyze the Global entries	Up to K3

K1- Knowledge K2 - Understand K3-Apply

UNIT – I: [15 Hrs]

Business Environment – Meaning – Importance of the study of business environment – Types – Internal and external factors – Economic, political, legal, social, cultural, ecological and technological factors.

UNIT – II: [20 Hrs]

Industrial policy – New industrial policy – Privatization – Meaning – Forms – Arguments for and against privatization – Public sectors – Meaning – Forms – Growth – Reasons for failures of public sector in India.

UNIT – III: [15 Hrs]

Social responsibilities of business – Various social responsibilities – Arguments for and against social responsibilities – Social audit – Meaning – Advantages – Social audit in India.

UNIT – IV: [10 Hrs]

Industrial sickness – Definition – Causes – Remedies – BIFR – (meaning and function) Small scale sector – Meaning – Incentive – Benefits and problems of incentives.

UNIT – V: [15 Hrs]

Globalization – Meaning – Global entries and forms – Challenges of globalization to Indian industry – MNCs – Meaning – Benefits of MNCs – Problems with MNCs.

COURSE DESIGNER: Dr. K. Jecintha Sathiyavathi

Elective-I PROJECT Code: 211603505 SEMESTER V 5 Hrs/Week Credits 5

Preamble:

Z This Course would create interest in the minds of students to undergo the research in Commerce. The aim of the Course is to sharpen the analytical skill of the students in the field of Research.

Course Objectives:

The course enable the students:

- ≤ To understand Research problem in and around the society.
- ≤ To familiarise with the research methodology in social science research.
- **Z** To gain knowledge about the data collection.
- Z To know the applications of statistical tools in the research.

PROCEDURE FOR PROJECT REPORT:

- Every student must undergo a project work in the V Semester.
- Commerce based projects are permitted.
- Individual project Under a Supervisor/Guide, who will provide necessary guidance.
- Students should present the project in the class room.
- Students should submit a written report.
- The project report Evaluation and Viva-Voce examination will carried out jointly by internal examiner (Supervisor/Guide) and external examiner.
- Viva-Voce examination will be conducted at the end of the V Semester.
- Project work will be awarded marks on the following basis:

Internal = 40 Marks	External = 60 Marks
Report = 30	Report = 50
Viva = 10	Viva = 10
Total = 40	Total = 60

COURSE DESIGNER: Dr. R. Senthilkumar

Part – IV AUDITING Code: 214403516
Skill Based Elective–V-Major SEMESTER V 2 Hrs/Week
Credits 2

Preamble:

arnothing To understand the importance of auditing, auditors duties and responsibilities. To know the documents used by the auditor during the course of auditing.

Course Objectives

- ≤ To provide basic concept of auditing and types of auditing.
- arnothing To impart the knowledge with regards to auditors duties and rights. Also to provide knowledge about audit report
- Z To provide knowledge about audit procedure, audit programme, working paper and note book.
- ${\it iny Z}$ To provide knowledge about audit file, test checking and routine
- ≤ To provide knowledge about internal control and internal Check

COURSE OUTCOMES (COs)

On Successful completion of the course, the student will be able to

No.	Course Outcome	Knowledge Level (According to Bloom's Taxonomy)
CO1	Describe and explain concept of auditing and importance of auditing	Up to K3
CO2	Explain the importance of Audit evidence and audit procedure	Up to K3
соз	Apply the skills in preparing audit working paper and audit notebook.	Up to K3
CO4	Applying the practice of test checking and routine checking.	Up to K3
CO5	Describe and explain the contents and types of preparing audit report.	Up to K3

K1- Knowledge K2 – Understand K3-Apply

UNIT – I: [6 Hrs]

Introduction - Difference between book - keeping, accountancy and Auditing - Auditing and Investigation - Objectives of an audit

UNIT – II: [6 Hrs]

Audit evidence and audit procedure - Sufficient and appropriate Audit evidence - Methods to obtain audit evidence - inspection - observation inquiry and Confirmation.

UNIT – III: [6 Hrs]

Documentation - Importance of documentation - Audit note book - Contents of audit note book - Form and content of working paper - Responsibility, protection and preservation of working paper.

UNIT – IV:

Internal control - meaning and importance - Internal Check - Criteria for good internal check-Internal audit - Distinction between statutory audit and internal audit.

UNIT – V: [6 Hrs]

Audit report - Basic elements of audit report - Kinds of audit report.

EVENT MANAGEMENT SEMESTER V

Addl. Credits 4

Preamble:

Course Objectives:

The course enables the student:

- ∠ To give formal instructions and training to students to be future managers of Event Industry
- ≤ To become technical proficiency to effectively adjust, grow and excel in the field
- 🗷 To familiarizes the learners about the Event Management concepts, Planning and Evolution of Event Management
- Z To create an awareness about the need to improve their communication skill, Language skills, Passion of event anchoring skill to be employed in Media sources.

UNIT I:

OBJECTIVES: To learn Meaning, concepts, nature of Event Management Event Management - Meaning, definition, concepts, Nature of Event Management - Objectives, Need - classification - Event co-ordination -Significances of Event Management - Event analysis - Traditional Event and Modern Event - Techniques to create an Event.

OUTCOME: * Make the students to get the knowledge of Event and Event Management

UNIT II:

OBJECTIVES: To know the marketing strategy of Event Management

Event Marketing – Basic principles of Event Management – Sources of Event

Marketing – Marketing strategies – creative thinking – competitor – special

events – Process of Marketing – Marketing Mix – Event standards– Event

Organiser – Event Manager – Qualities of Event Manager – Responsibilities –

Characteristics of Event Manager

OUTCOME: *Make the student to aware of marketing strategy of Event Management

UNIT III:

OBJECTIVES: To know the Event planning and designing

Event planning – Event feasibility – Event designing – Event promotion –

Event Laws – Relevant legislation - Modern Event Management scenario

OUTCOME: *Make the students to create an event with innovative ideas

UNIT IV:

OBJECTIVES: To understand the consumer and customer relationship

Event Client relationship – client Behaviour - Event sponsors – Event
Research and Development – Activities in Event Management - Basic Event
Accounting - Event Budget - Client agency – International Events

OUTCOME: * Make the students to construct customer relationship with creative ideas

UNIT V:

OBJECTIVES: To ensure the knowledge of communicative skills

Event communication – Event conversation – Language skills of the Event

management – Event Leadership - Special Events – Event staging - Types of

communication – Methods – Evaluation and feedback

OUTCOME: * Make them to enhance their anchoring skills.
